Address of Property

I consent to officers, employees, contractors, and authorized representatives of the United States Environmental Protection Agency (EPA) and/or of H. Kramer & Company (H. Kramer) entering and having continued access to the property described above to perform the following response actions:

- (1) Collecting samples, surface and subsurface, including but not limited to soil and air;
- (2) The documenting of scientific and engineering observations, including, but not limited to taking notes, photographs, and surveying;
- (3) Removing contaminated soil and related activities;
- (4) Completing restoration efforts once contaminated soil has been removed to include replacement of removed soil with clean soil, re-sodding of previously grass covered areas, limited landscaping restoration, replacement of gravel, repair of possible damage or property loss as a direct result of sampling, removal, and restoration activities; and
- (5) Other such actions as the EPA On-Scene Coordinator determines may be necessary to protect human health and the environment.

I realize that these possible actions are being undertaken pursuant to the response authorities under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9601 *et seq.*

I give this written permission voluntarily, on behalf of myself and all other co-owners of the Property, with knowledge of my right to revoke my voluntary consent at any time, and without threats or promises of any kind. I understand that EPA, H. Kramer, or their authorized representatives will contact me before the start of any investigation or remedial activities on my property, and I will notify any tenants in my property of any such investigation or remedial activities.

This document should be signed only by the legal owner of the property described above.

Doy mi consentimiento a los funcionarios, empleados, contratistas y representantes autorizados de la Agencia de Protección Ambiental de los Estados Unidos (EPA) y / o de H. Kramer & Company (H. Kramer) para que entren y tengan acceso continuo a la propiedad indicada arriba para realizar las siguientes acciones de respuesta:

- (1) Recolección de muestras de la superficie y bajo la superficie incluyendo – pero sin limitarse – a la tierra y al aire;
- (2) Documentación de las observaciones científicas y de ingeniería incluyendo – pero sin limitarse – a tomar notas, fotografías y estudios topográficos;
- (3) Eliminación de tierra contaminada y actividades relacionadas;
- (4) Cumplimiento con las medidas de restauración una vez que se haya removido la tierra contaminada incluyendo el suministro de tierra impoluta por la tierra removida, el suministro de césped para las áreas previamente cubiertas de hierba, la restauración limitada del jardín, la sustitución de grava, el reparo de posibles daños o por pérdida de propiedad como resultado directo del muestreo, la remoción, y las actividades de restauración; y
- (5) Otras acciones que sean necesarias para proteger la salud humana y el medio ambiente según determine el coordinador de acciones en terreno de la EPA.

Entiendo que estas posibles acciones se llevan a cabo de acuerdo con las autoridades de respuesta según la Ley de Responsabilidad, Compensación y Recuperación Ambiental de 1980, según enmendada, 42 USC Sección 9601 *et seq.*

Yo doy este permiso escrito voluntariamente, en nombre mío y de todos los otros dueños de la propiedad, con el conocimiento de mi derecho a revocar mi consentimiento voluntario en cualquier momento, y sin ningún tipo de amenaza o promesa. Entiendo que la EPA, H. CONSENT FOR ACCESS TO PROPERTY

NON-RESPONSIVE

I consent to officers, employees, contractors, and authorized representatives of the United States Environmental Protection Agency (EPA) and/or of H. Kramer & Company (H. Kramer) entering and having continued access to the property described above to perform the following response actions:

- (1) Collecting samples, surface and subsurface, including but not limited to soil and air;
- (2) The documenting of scientific and engineering observations, including, but not limited to taking notes, photographs, and surveying;
- (3) Removing contaminated soil and related activities;
- (4) Completing restoration efforts once contaminated soil has been removed to include replacement of removed soil with clean soil, re-sodding of previously grass covered areas, limited landscaping restoration, replacement of gravel, repair of possible damage or property loss as a direct result of sampling, removal, and restoration activities; and
- (5) Other such actions as the EPA On-Scene Coordinator determines may be necessary to protect human health and the environment.

I realize that these possible actions are being undertaken pursuant to the response authorities under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9601 *et seq.*

I give this written permission voluntarily, on behalf of myself and all other co-owners of the Property, with knowledge of my right to revoke my voluntary consent at any time, and without threats or promises of any kind. I understand that EPA, H. Kramer, or their authorized representatives will contact me before the start of any investigation or remedial activities on my property, and I will notify any tenants in my property of any such investigation or remedial activities.

This document should be signed only by the legal owner of the property described above.
